## Welcome Back & School Uniform

Welcome back to the first Spring edition of the Pearson Tree Newsletter. The children are settling in beautifully this term, they are working hard and making us extremely proud. Lots of children look incredibly smart in their school uniform and we would like to thank you for your hard work and support in maintaining a high standard of dress for school. We have talked in classes and in assembly about the importance of school uniform for making us all feel like we belong, for supporting an inclusive environment and for keeping us safe and easily identifiable on trips.

The school uniform consists of a polo shirt and a skirt/dress/trousers for girls and trousers/shorts for boys. Please note that our school clothes must be blue, black, white or grey. If you need any help with uniform please contact the school. We would also like your help with keeping up attendance and having ALL of our children attend school everyday and on time (the school bell rings at 8:50).

Please take a look at our new website for any other information regarding school uniform.

# Extra Curricular Learning

## Sumdog

Every child at Pearson Primary has a log in for Sumdog, this app allows children to develop their Maths skills through a series of challenges and games. Recently our Year 6 class took part in a national Sumdog competition; finishing in the top ten schools nationally. This was down to the hard work of all children in the class. We would love for more children to be accessing this resource outside of school. It is not only fun but also helps with learning.

## After School Clubs

Clubs are up and running however if anyone wants to sign up they still can, just pop into the front office.

### Monday

Football Yrs 2-4/ 5-6

## Coffee/Yoga at Pearson 9-10 Every Friday Morning in the community Hall

Come and join us for yoga and a coffee. Or just coffee and a chat. It's a chance to get together with other parents and catch up on each other's news. We look forward to seeing you there, bring the little ones for a run around and playtime.

### Coffee morning

Every Friday morning , we hold a coffee morning at 9.00am. Last week's attendance was really good but we need more people to come. Parents and children are invited where there will be coffee , biscuits and there will also be a place where your children can play. Parents can come along and have a coffee or they can chat with other people and they can join in the yoga too!

## Exciting News!

**We are very pleased to announce that next week we will be launching our Pearson Primary School 'Family Groups'. Children will work for 20 minutes a week, talking about personal development in their 'Family Group'. This does not mean in their real families, but with children from a range of different classes across the school. The sessions will include topics like building resilience, courage and responsibility. Each group will be assigned an adult champion from the school. The role of this additional adult is to support , praise and champion each and every child in their 'Family Group'. We are confident that this will give us a unique opportunity in school to strengthen relationships and explore our progress and development in line with the school's core values.**
