

Personal, Social and Emotional Development

Are you aware of the new resource for parents from the BBC?

(Taken from the website - www.bbc.co.uk/tiny-happy-people)

Tiny Happy People is here to help you develop your child's communication skills. Explore our simple activities and play ideas and find out about their amazing early development.

FROM TINY HAPPY PEOPLE

Chatting to kids about what's going on

Instead of saying...	Try saying...
"Don't worry about it"	"Let's chat about why you feel worried"
"We can't do that anymore"	"We can do all these things today"
"It's dangerous to go outside"	"We're helping people by staying inside today"
"We can't see them at the moment"	"Shall we draw them a picture and send it?"
