Arrive at 9:30 through the gate with the buzzer.

Handover point is outside the Y2 classroom door.

Collection at 1pm outside the Y2 classroom door.

There will be signs to direct you.

Parental Information for children returning to school

On return to school, we are creating a wellbeing focus to our curriculum in order to support children in understanding social distancing and hygiene. This will be through educational sessions, prompts and reminders. We cannot expect young children to maintain social distancing.

Picking up and dropping off from school

- You **MUST NOT** enter the school site if you or your child are displaying any symptoms of coronavirus.
- Only one adult should accompany your child/children to school. Please arrive at the correct time for your bubble.
- Please follow school signage on the playground for where your child's bubble needs to be met by staff.
- Make sure you are keeping 2m apart from other families and staff. Support your child to understand that they cannot run around and play with the other children who may be arriving to another bubble.
- As soon as your child has entered the building safely, please leave the site promptly.
- Children will be brought out to you at the end of the day, to the same area where they were dropped off.
- Please continue to maintain social distancing, outside of school, in line with Government Guidance to further minimise the risk in school.

What to bring to school

- Children may bring a **water bottle** to school. This will stay in school and be cleaned daily by staff.
- Children may bring a **sun hat** into school. This needs to remain in school for the full week and be washed at the weekend.
- If you choose to send in a **packed lunch**, this must be in a disposable bag and not a lunch box.
- Children are not required to wear school uniform. They do need to wear **clean clothes every day and shoes that they can fastened on their own.**
- Children will be spending more time outdoors – please make sure children have long lasting **sunscreen put on at home.** We will not be able to reapply sun cream during the half day that your child is in school.
- Please do not bring any other items to school, such as **pencil cases.** School will provide children with classroom equipment that only they will touch.
