

# Year 3 Curriculum Newsletter – Summer 1

## Writing

We will begin this half term writing non-chronological reports.

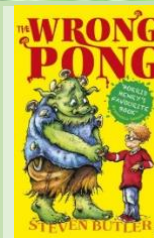

We will be focusing on grouping our ideas around a theme and editing and improving our writing.

## Maths

During the summer term, we will be securing our understanding of fractions. We will be challenging ourselves to ensure we develop rapid recall of our multiplication facts.

We will become more confident when problem solving and give reasons for our choices.

## Reading

This term we will be reading The Wrong Pong and non-fiction texts linked to our history and science topics.

## Science

As scientists, this half term we will learn about the structure and the needs of plants.

We will use our knowledge to make predictions and set up simple enquiries to test theories.

## Personal, Social, Health and Economics (PSHE)

The school's Jigsaw theme this half term is 'relationships'

This half term we will learn about healthy relationships and our roles within them.

## History

As historians, we will be finding out about the Ancient Egyptian civilisation and its lasting impact on the world.

## Design Technology

In DT, this half term we will produce a small textiles piece that will become part of a whole school project! We look forward to sharing this with you once it is complete.

## Religious Education

We will be learning about **Sacred places** through Islam and Christianity.

The key question that we will explore is:

What does it mean to be sacred?

We will be visiting a mosque, a church and Hull Minster.

## Computing

In our computing sessions this half term, we will be focusing on our digital literacy, how the internet can help us communicate and how we stay safe online.

## Physical Education

Our PE day is on Wednesday. This half term we will be learning and developing our football skills.

## Music

This half term, we will be learning new skills and music vocabulary through the genre of Jazz.
